7. Apabila telah memilih, maka pada dashboard Anda status dosen pembimbing akan berubah menjadi seperti berikut.

The screenshot shows a user dashboard with a sidebar on the left containing navigation links: Dashboard, Profile, Courses, Lecturers, Reports, Notifications (NEW), Messages, and Announcements. A 'Log out' button is also present. The main content area is titled 'Dashboard' and contains 'General information' with the following details:

- Registered at:** June 17 at 11:03 WIB
- Last login:** August 3 at 11:47 WIB
- Supervisor:** PENDING (with a red arrow pointing to the text 'Status pemilihan dosen')
- Progress report(s):** Dr. [REDACTED] (with a red arrow pointing to the text 'Nama dosen yang dipilih')

Below this information are buttons for 'Update my profile', 'See all my activities', and 'See all active lecturers'. A 'Milestone' section shows a progress bar at 20% (registered). At the bottom, the 'Level study' is listed as UNDEGRADUATE.

8. Setelah itu Anda tinggal menunggu persetujuan dosen yang bersangkutan. Bila disetujui, Anda bisa mulai membuat progress report.

The screenshot shows the same user dashboard as above, but with the supervisor status changed to 'ACCEPTED'. The 'Progress report(s)' section is highlighted with a black box and contains the following information:

- Progress report(s):** Total report : none
- Buttons:** View report(s), Add report
- Report approval:** (empty field)
- Progress report:** (empty field)

The 'Milestone' section now shows a progress bar at 40% (accepted). The 'Level study' remains UNDEGRADUATE.
